

## **2023 Player Development Program**

Want to become a more complete baseball player for next spring? Massarelli Baseball's winter Player Development Program can help you achieve those goals! The program will have a max of 10 players each session divided into the following age groups: **8-13** and **14-18**.

The program, designed by physical therapists, athletic trainers, and several former professional athletes, is designed to create a positive, competitive environment while making objective improvements in the players speed/agility, arm strengthening, exit velos, and defensive skills. The athlete will be exposed to several different Massarelli Baseball coaches to help them prepare for next spring.

When: 2x a week, 20 sessions, late October-end of December.

Where: Massarelli Sports Complex-1041 Arrowhead Rd Bolivar, OH

Cost: **[\\$1000 Register](#)**

After registering, program coordinator, [Tyler Drabick](#) will reach out to book your day/time.

We are looking forward to helping your athlete get a head start on preparing for the 2024 season!
